## ABOUT ME

Hi, I am a multi-talented graphic designer and frontend web developer that provides a variety of services like logo design, multimedia advertising, web development, SEO and more. I have obtained all of my skills through college, hardwork, dedication and determination. I try to go above and beyond and rarely turn down a challenge!

## PROFESSIONAL EXPERIENCE

### TMIV DESIGN

FREELANCE GRAPHIC DESIGNER

*2017-Present*

I started freelancing in 2017 to gain real-world experience. During this time I have created logos, marketing campaigns and strategies, multimedia advertisements, websites, SEO and more.

### CUSTOM BLENDS / PLANET R.Y.O.
